Clear, Dark Grey, Frosted, Pebble

WINDOW DECORATIVE INSERTS

405 Williamsburg, 305 Williamsburg, 306 Sherwood, 393 Cathedral, 397 Stockton (ask our sales reps)

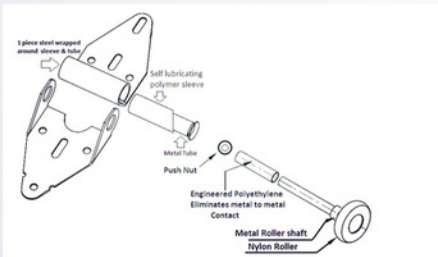

INSULATION

Insulated (one side or double sided) or non-insulated door

TYPE OF INSULATION: un-insulated or insulated (Standard thermal insulation or Double skin thermal insulation for better thermal protection and beautiful aesthetics of the door from the inside of the garage).

HARDWARE

Standard hardware (for all doors) or upgraded quiet hardware (Stealth Hardware Solutions® noise elimination system)

"All rights reserved to the manufacturer"

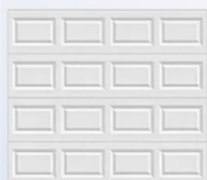

AIR VENTS: With or W/O Air Vents at the bottom panel for fresh air circulation inside the garage

FLOOD VENTS (AS AN ADD ON): For residential properties located in areas prone to flooding due to costal proximity location; those are Miami Dade approved for flooding per FBC (Florida Building Code) but NOT hurricane impact resistant. Flood vents (aka Smart Vent) are made by a third party manufacturer and are offered by DAB Door as an option for our doors

Type of Panel Options: Raised Panel, Flush, Bead Board and Grooved
